

Louisiana Osteopathic Medical Association
2018 LOMA Annual Convention: Royal Sonesta Hotel, New Orleans, LA
CDS CME Opioid Management Program
To Meet LSBME's Requirements Per ACT 76
Approved by LSBME
3 AOA Category 1-A CME Credits*

PURPOSES-GOALS-OBJECTIVES

This 3-hour CDS CME Opioid Management Program is designed to provide continuing medical education needed by a CDS prescriber to meet the new requirements by her/his 2019 license renewal date as established and required by Act 76 of the 2017 Regular Session of the Louisiana Legislature.

Effective January 1, 2018, as a condition to license renewal, all Louisiana-licensed practitioners with a CDS license are required to obtain 3 hours of continuing medical education (CME) that includes the following topics:

1. best practices for the prescribing of CDS,
2. drug diversion training,
3. appropriate treatment for addiction, and
4. the treatment of chronic pain.

The contents of the three component lectures in this program as listed in the above schedule are specific to meeting these four stated requirements and have been approved by the Louisiana State Board of Medical Examiners (LSBME).
